ACTIVITIES & EVENTS

Vibrant Caribbean Celebrations

On 11th September, residents, families, friends, and members of our local community came together for a truly fabulous afternoon of fun, music, dancing, and delicious refreshments.

The event was a wonderful opportunity for everyone to socialise, make memories, and enjoy each other's company in a lively and welcoming atmosphere. There was plenty of singing, dancing, laughter, and entertainment throughout the afternoon, with residents thoroughly enjoying spending quality time with their loved ones.

A special thank you goes to our fantastic in-house catering team, who did us proud once again with an impressive selection of food, stunning fruit displays, and a variety of refreshing mocktails and cocktails. Their hard work and creativity helped make the day extra special for everyone who attended.

It was heartwarming to see so many families, friends, and members of our local community joining us to celebrate. Events like these are a wonderful reminder of the strong relationships and sense of community we share here at Hesketh Park Lodge.

A great afternoon was had by all, and we look forward to welcoming everyone to our future events and celebrations!

"Creating meaningful moments, lasting memories, and plenty of smiles." 😊

National Day of Arts in Care Homes

Every year on 24 September, care homes across the UK come together to celebrate the National Day of Arts in Care Homes, an initiative led by the National Activity Providers Association (NAPA). It's a lovely opportunity to recognise the joy that creativity brings to everyday life, from painting and crafts to music and so much more. The day celebrates how getting creative can bring people together, encourage self-expression and create special moments for residents to enjoy.

On 24th September, our talented Arts & Crafts Club proudly showcased a wonderful collection of creations made throughout the past year. We were delighted to welcome residents, their families, friends, and members of our local community to view the spectacular exhibition and celebrate the creativity and imagination of our residents.

Visitors were amazed by the beautiful displays, which featured a wide range of handmade items carefully crafted from everyday materials such as cardboard boxes, empty bottles, cereal packets, toilet rolls, and other recycled items. Through dedication, skill, and artistic flair, these simple objects were transformed into unique and meaningful works of art.

The exhibition highlighted not only the incredible talents of our residents but also the enjoyment, sense of achievement, and friendships that have developed through our arts and crafts sessions. It was heartwarming to see residents proudly sharing their creations and the stories behind them with loved ones and visitors.

The event was a tremendous success, with many guests commenting on the quality, originality, and creativity of the displays. We are incredibly proud of everyone who took part and would like to thank all those who attended and supported the exhibition.

Our Arts & Crafts Club continues to be a popular activity within the home, bringing people together, encouraging creativity, and proving that with a little imagination, ordinary items can be transformed into something truly extraordinary.

"Creativity has no limits, and our residents continue to inspire us every day."

Celebrating International Beatles Week

During International Beatles Week, we held our own special celebration to honour the legendary Fab Four and the countless songs they wrote, performed, and produced over the decades.

Residents enjoyed a fantastic afternoon of live entertainment from a talented singer, who had everyone singing along to some of the Beatles' greatest hits. The music brought back many happy memories, sparking conversations and reminiscence as residents shared stories from their younger years.

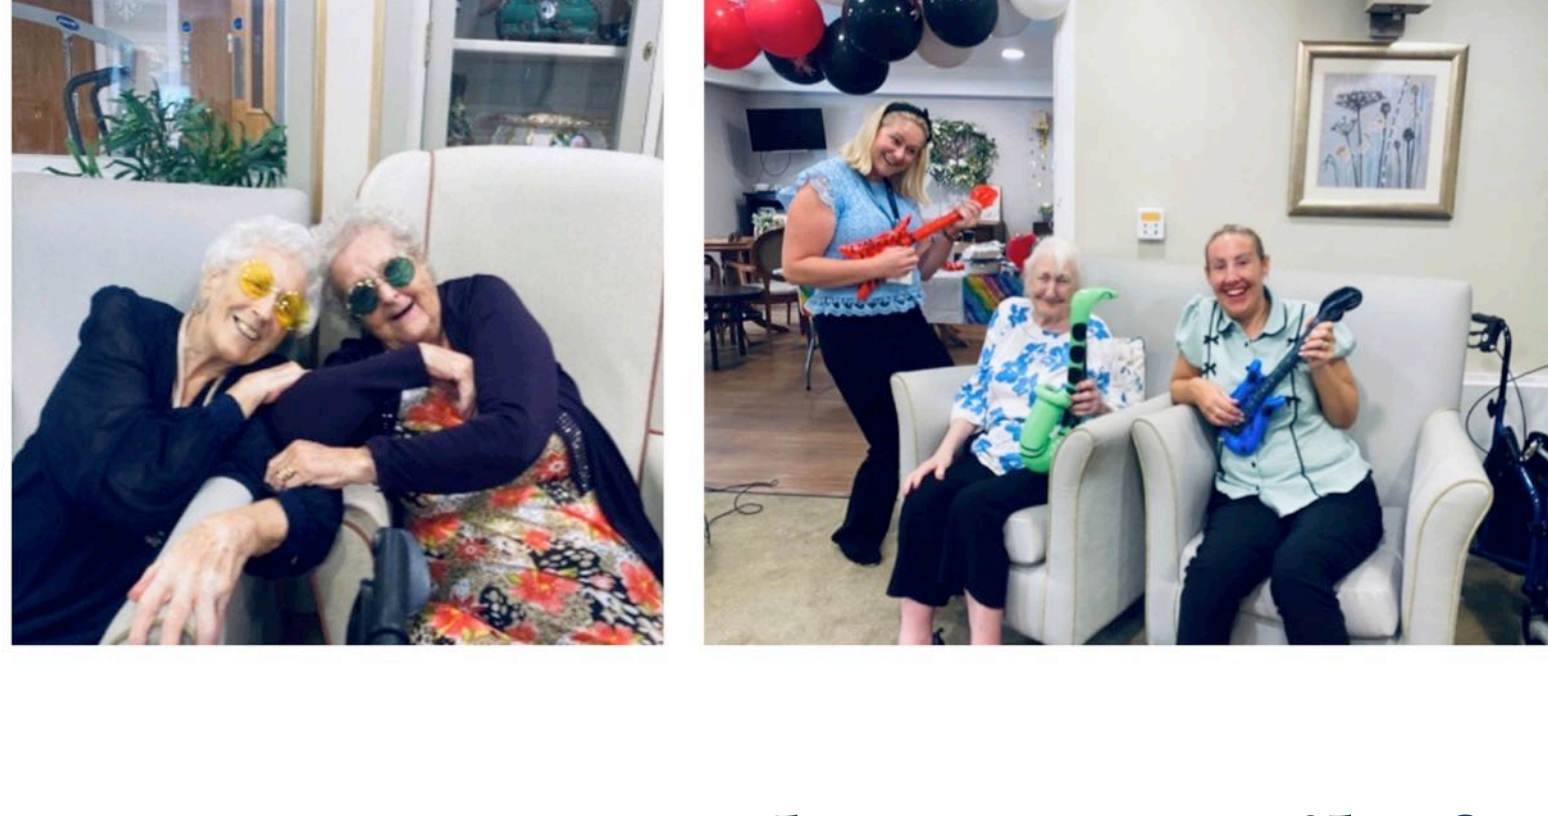

There was plenty of dancing, laughter, and fun throughout the afternoon, creating a wonderful atmosphere for all who attended. It was truly a trip down memory lane, with residents, families, friends, and members of our local community coming together to enjoy the celebrations.

Our catering team ensured everyone was well looked after with a delicious selection of food and refreshments, allowing guests to relax, socialise, and make the most of the occasion.

Events such as these provide valuable opportunities for residents to connect with loved ones, enjoy meaningful experiences, and celebrate the music that has played such an important role in many of their lives.

A wonderful afternoon was enjoyed by all, proving once again that great music has the power to bring people together and create lasting memories.

"All you need is love... and a little Beatles music to get everyone dancing!"

Our Team Goes the Extra Mile for Queenscourt Hospice

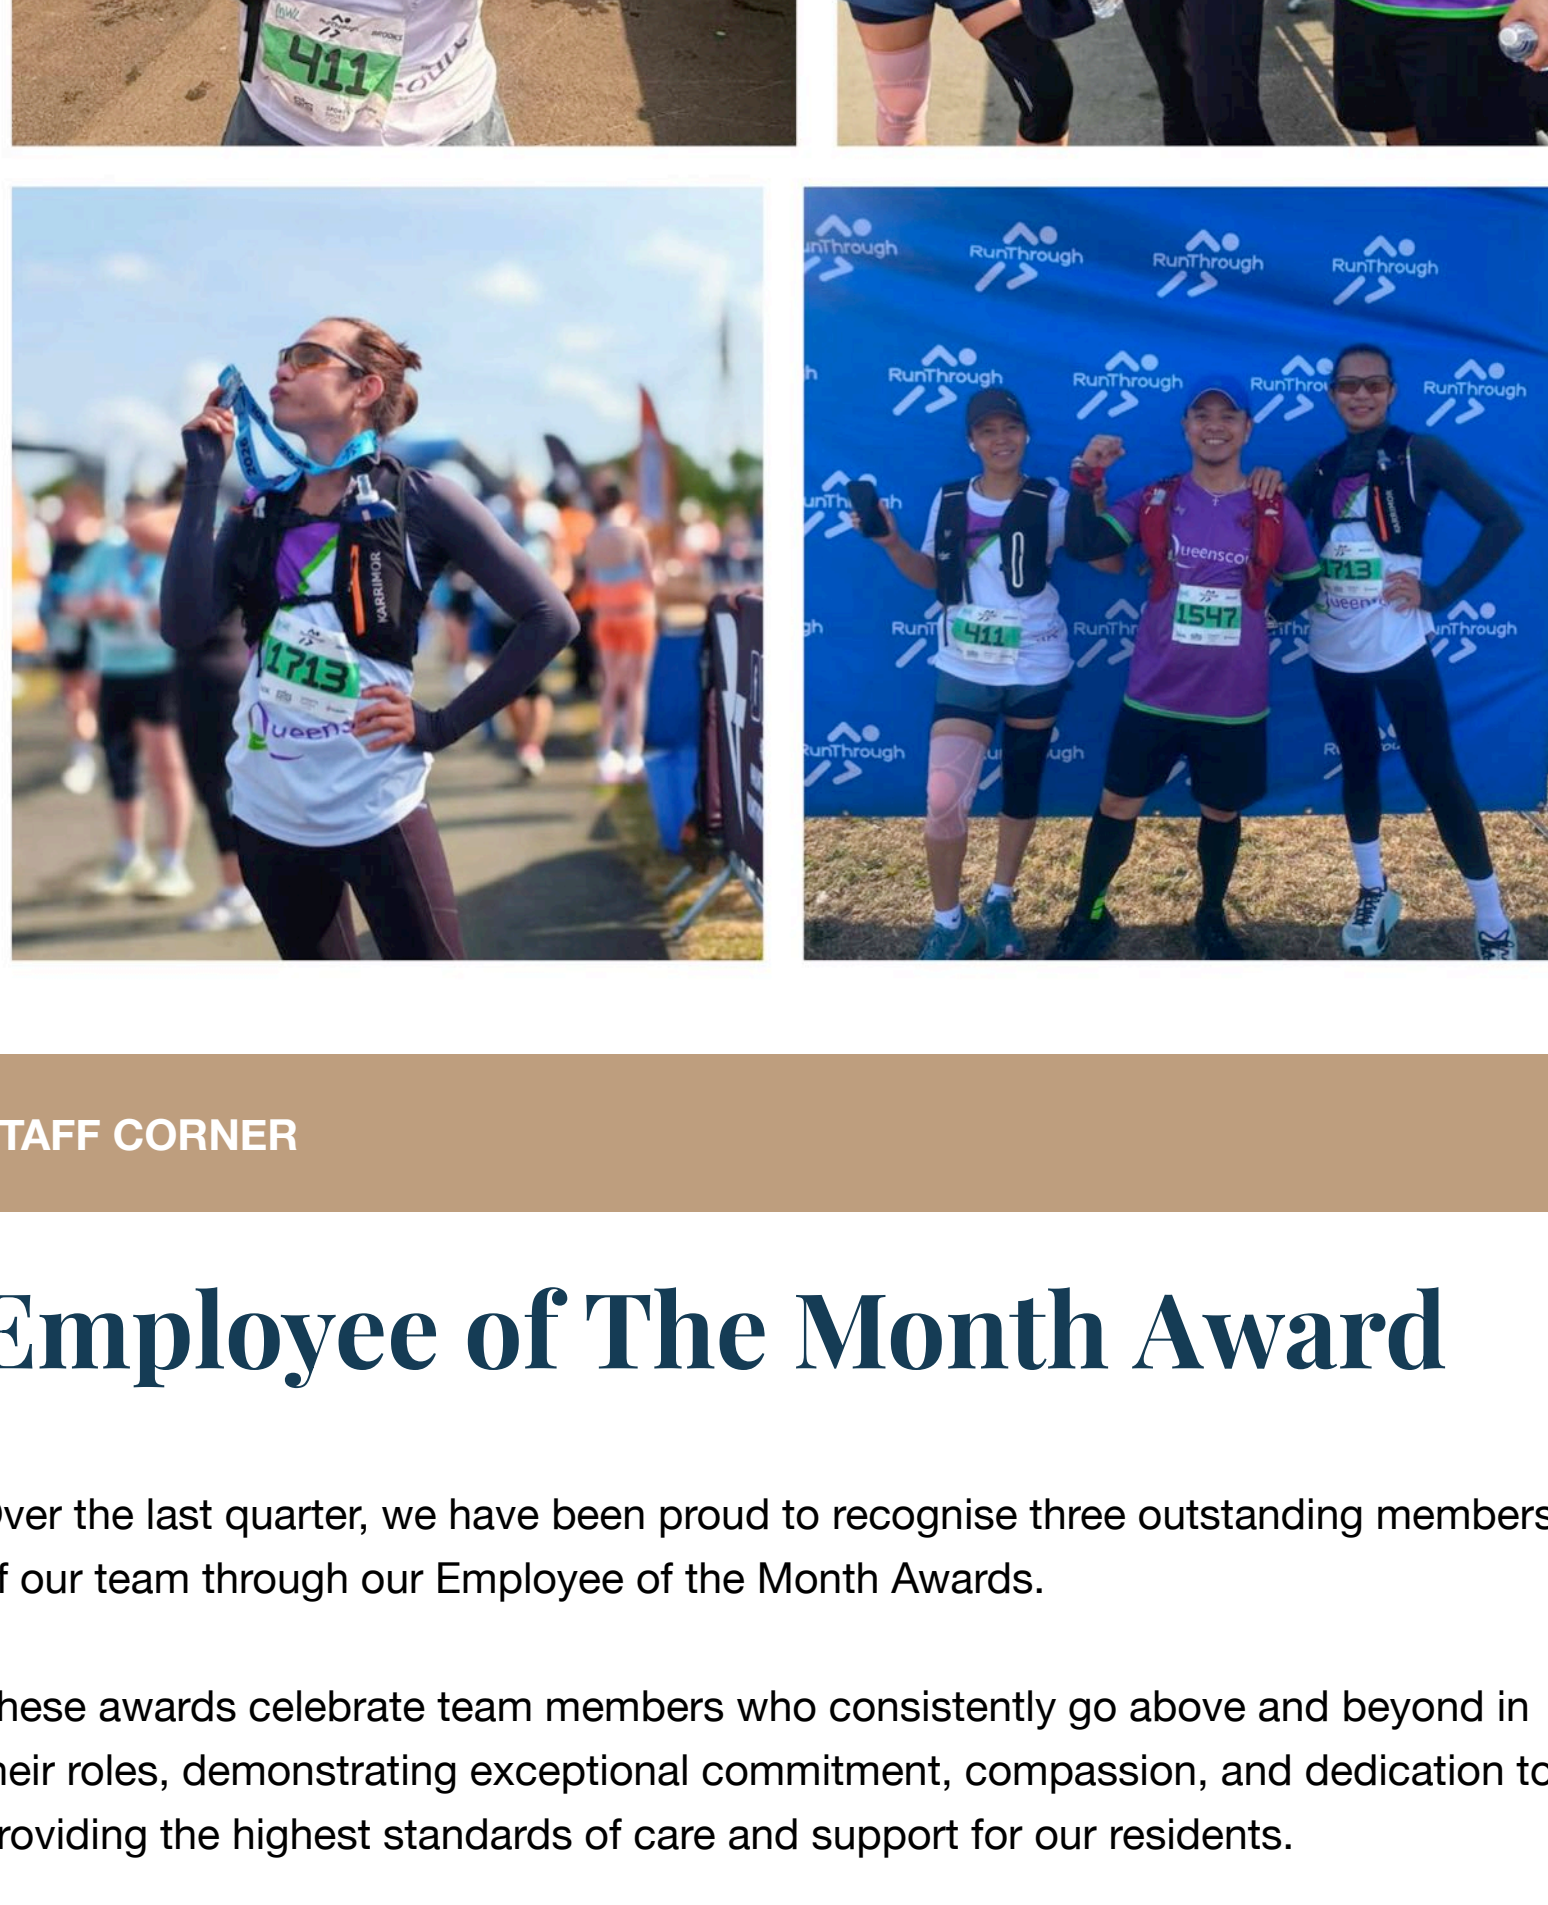

A huge congratulations to our amazing care team for successfully completing the South Coast Seaside 10K in support of Queenscourt Hospice.

We are incredibly proud of their dedication, teamwork, determination, and commitment in taking on this challenge for such a wonderful local charity. Their efforts reflect the caring values that they demonstrate every day within our home, and it was inspiring to see them come together to support such an important cause.

By participating in the event, our team not only raised awareness and support for Queenscourt Hospice but also showed tremendous resilience and encouragement for one another throughout the challenge. Their achievement is a testament to their hard work, perseverance, and community spirit.

You have done yourselves, and all of us at Hesketh Park Lodge, incredibly proud.

"Working together, supporting others, and making a difference both inside and outside our home."
